Writing.

Hello Sabina! I write this letter from Australia.
Australia very beautiful country with very interesting history. Me and my family thinking where we go today. I thinking about zoo. Because Australia the country where very much all the animals and different insects. I'm so exating for this. This be my little dream. I hope my parents say yes. We staying in little apartment. This cool but not in central place of Aus this city. And for my family it's very bad. Because we love walk in the city. and see different monuments of this country. At now I looking in the window and see very much trees. Australia very green country. In holiday I wanna see different spider and snakes. I so much love them, but sometimes there will be very scary. By Sabina, I hope you too have very good weekends.
